Dear Member,

Max has completed another fascinating programme for October and November, and it goes to print shortly.

In these uncertain times nothing is written in stone, so we will keep our fingers crossed that SA remains relatively unscathed by Covid19 and we do not have any more restrictions placed on our freedoms, to protect our health. However, as you will be aware, in order to meet together we have to comply with the safeguards placed on us not only by SA Health but by the Active Elders Association Hall Management Committee. For your attention, I attach a list of what we have put in place to abide by the regulations, and an explanation of what you, as participants in meetings, must comply with in order for us to restart U3A Flinders.

Yours sincerely,

Liz Gordon
President

Acknowledging the generous support of Flinders University
